## **Minnesota Moments**

We have Minnesota Moments magazines with a feature article about Rudy Ruether, for sale in the office for \$4 each. Each magazine sale generates \$2 for Home & School.

## **Magazine Sales**

The magazine sales are underway...

We have already approached our first due date, and have started out the fundraiser with **17 sales**. Our ultimate goal for this fundraiser is 250 sales (that's about 4 sales per student).

This would include renewals, also.

March 31st will be the next turn-in date. Hopefully we can increase our sales a

little bit by then. The final turn-in date is scheduled for April 9th, after we come back from break.

We encourage our students to accept renewals from relatives and friends. We do not encourage them to approach strangers.

If you have any questions regarding the magazine sales, please let the office know.

Thank you to everyone that has already made a sale, and good luck to those of you that are still selling!

***April 9th is the last possible due date.***
