Walk—A—Thon

September 18 officially marked the beginning of our annual Walk-a-thon Campaign. The children raise money and obtain pledges from family and friends to walk and pray around Pearl Lake. This year's Walk-A-Thon is scheduled for Saturday, October 10th at 9:00 a.m. The letters to area businesses were sent September 14, 2009, asking for donations.

Please remember to send back the prayer flags. If you have a person or cause that you would like us to pray for, write the person or cause on the flag and decorate it as you wish. Send it back to school in your Friday Folder, and we will laminate it. The flags will be placed at different locations on the Walk-A-Thon.

Everyone stops and offers prayers for the petitions listed on the flag. You do not have to contribute money to the Walk-A-Thon to put a name on the flag!

We ask that you consider writing to your relatives (actually the children should be doing this) for a possible donation.

Please send in your pledge money as you receive it!

When the entire school reaches the halfway mark of \$4,750, there will be a delicious "make your own sundae" party. If we reach our goal of \$9,500, by October 14, 2009, the entire school will be taken to an appropriate movie before Christmas Vacation. They will also have pop and popcorn at the movie theatre.

Thank you for all your support and hard work. If every family could help us by raising \$240, we would reach our goal of \$9,500. Please help us make this year's Walk-A-Thon a success!

For every \$1,000 turned in the children will receive 10 minutes of extra recess.

Angel Care

No Angel Care Friday October 9, 2009 in the afternoon.

No Angel Care November 23, 24, 25 morning and afternoon.

Safe Environment

For those of you who have not had safe environment training you may go to www.stclouddiocese.org and click on safe environment so you can catch up on all the information you need. When you have finished that, you must stop in the office to initial the official paperwork. If this is your first time, you may download and fill in the request for a criminal background check but it must be notarized. You may go to any notary public that you wish. Marian is available during the day in the parish center. Ultimately all the paperwork must come back to the school office. The CEM has put this site on to assist principals and DREs. Thank you and good luck.

Safe Environment Training will be held at St. Anne's in Kimball on Wednesday, September 30th at 7:00pm in class room 107.

Donations

Thank you but the school no longer needs supplies or donations for art.

Hearing Test

Hearing test were given Monday September 21st. If you have any questions please feel free to call the school.

Newsletter Via Email

We have started sending out the newsletter via email last Friday. If you requested the newsletter via email and did not receive it please let the office know. We are still trying to work out all the issues. A few of you may not have received it yet!

Field Trip

The students in grades pre-k through sixth will be attending a field trip on October 9, 2009 to St. John's University. They will attend the St. John's Boy's Choir production of *Boys on Broadway*. The entire trip will be paid for by the Home & School Association. Teachers will be contacting you if you are on our Safe Environment list for chaperoning. Only three chaperones are needed.

Catholic Aid

A reminder that Catholic Aid raffle tickets costing \$5 dollars each are available in the office for purchase or for you to sell for us. Remember it only takes ONE ticket to win. And your odds at this raffle are definitely better than the state lottery!!!!
