Lenten Penny Challenge

We are collecting money for Place of Hope in St.Cloud. It is a shelter for homeless people. Each classroom has a container to put pennies in. The fun begins when students from other grades can deposit nickels, dimes, quarters or bills into another classes' container. The value of these coins is deducted from the total amount of pennies in that class container. On Fridays each class will count the money in their container. We'll keep track of which class is in the lead. Everyone ends up winning because the Place of Hope benefits from Holy Cross School's generosity.
