All School Field Trip

The entire school will be taking a field trip to the Minnesota Zoo on Monday, May 24, 2010. We need as many children here by 8:00am, as possible, so that we will be able to have breakfast and get everyone on the bus on time. This will be a long trip, and because of that we will not return to school until 4:45pm. We will need all parents here at that time to pick up their children.

The staff has requested that no extra money be sent with the children. The gift shops will be off limits to all of our children and we do not want chaperones purchasing gifts for any

of them. The focus of the day should be on the animals and observing Mother Nature surrounding them. This is a school day and even though we are not in an official classroom, we are still in a learning environment. A fun time should be had by all!

Cash Wise Food Club UPC's

Food Club UPC's are due by the end of May. So that we can turn them in to the store by June. Also they are starting a new way of receiving Food Club points. The points will be on your receipt after you purchase the items at the store so then in turn you can just bring in your receipt to the school. This will eliminate cutting and sorting for you and the school. Thank you.

I want to thank all the children for their hard work on their artwork that was sold at the dinner auction. We had so many compliments. I want all of you to know how proud I am of you! Mrs. Symalla

Mark Your Calendars!

The Marty Party and Parish Festival is the weekend of July 10th & 11th this year. We need lots of help to pull these two days off!

We are still looking for volunteers to chair the following:

Cake Walk

Wheel of Fortune

Kids Games

If you are interested please call Julie or Ralph Anderson, 320-398-2904.

Thank you!

Thank You

Thank you to Home & School and all the parents that brought food in for the teachers this week. It was all very much enjoyed!

It's Gardening Time!

The school has one gallon cans which are great for gardening. Let the office know if you would like any saved for you. They work especially well around tomato plants!

Gohmann Receipts

We collected a total of ***135,791*** points in receipts for the 2009-2010 school year. Thank you to everyone who brought in receipts to the school.

We will start accepting receipts for the 2010-2011 school year at the beginning of September.
