### **TELEPHONE**

It has been brought to my attention that some people have been calling school and have said no one has answered their phone call. From now on, if you call school and no one answers your phone call, please write down your name, the date, and the time that you attempted to call the school office. Please send the information to Mrs.Moran at the school the next day. During lunch time from 11:20am until 12:05pm no one is available to answer the phone in the office. Please call, and leave a message on the voice mail, and we will return your call as soon as possible. If you call to leave a message about your child's absence, we shall not call you back. We will only call people who we did not call in their child's absence. ~Mrs. Moran
